| Preservative                | 0.05% Sodium Azide                                                                                                                                                            |
| Isotype                     | IgG2a                                                                                                                                                                         |
| Conjugate                   | FITC                                                                                                                                                                          |
| Purity                      | Protein A or G purified from ascites                                                                                                                                          |
| Buffer                      | PBS                                                                                                                                                                           |
| Product Description         |                                                                                                                                                                               |
| Host                        | Mouse                                                                                                                                                                         |
| Gene ID                     | 2621                                                                                                                                                                          |
| Gene Symbol                 | GAS6                                                                                                                                                                          |
| Species                     | Human                                                                                                                                                                         |
| Specificity/Sensitivity     | Detects human Gas6 in direct ELISAs and Western blots. In direct ELISAs and Western blots, this antibody shows approximately 5% cross-reactivity with recombinant mouse Gas6. |
| Immunogen                   | Mouse myeloma cell line NS0-derived recombinant human Gas6<br>Asp118-Ala678<br>Accession # NP_000811                                                                          |
| Product Application Details |                                                                                                                                                                               |
| Applications                | Western Blot                                                                                                                                                                  |
| Recommended Dilutions       | Western Blot                                                                                                                                                                  |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                        |
