Survivin Antibody (91630) [DvLight 650]

| Survivin Antibody (91630) [Dylight 650] |   |
|---|---|
| Product Information                     |   |
| Unit Size                               | 0.1 ml  |
| Concentration                           | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage                                 | Store at 4C in the dark.  |
| Clonality                               | Monoclonal  |
| Clone                                   | 91630   |
| Preservative                            | 0.05% Sodium Azide  |
| Isotype                                 | IgG1  |
| Conjugate                               | DyLight 650   |
| Purity                                  | Protein A or G purified from hybridoma culture supernatant                                  |
| Buffer                                  | 50mM Sodium Borate  |
| Product Description                     |   |
| Host                                    | Mouse   |
| Gene ID                                 | 332   |
| Gene Symbol                             | BIRC5   |
| Specificity/Sensitivity                 | Detects human Survivin in direct ELISAs.  |
| Immunogen                               | E. coli-derived recombinant human Survivin Met1-Asp142 Accession # O15392                   |
| Notes                                   | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.           |
| Product Application Details             |   |
| Recommended Dilutions                   | Intracellular Staining by Flow Cytometry, CyTOF-ready                                       |
| Application Nates                       | Optional dilution of this anti-hady about he approximantally determined                     |

| <b>Product Application Details</b> |  |
|------------------------------------|--|
| Recommended Dilutions              | Intracellular Staining by Flow Cytometry, CyTOF-ready                  |
| Application Notes                  | Optimal dilution of this antibody should be experimentally determined. |
