PD-L1 Antibody (2096C) [Biotin]

| Product Information         |                                                                                                     |
|-----------------------------|-----------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                              |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.         |
| Storage                     | Store at 4C in the dark.                                                                            |
| Clonality                   | Monoclonal                                                                                          |
| Clone                       | 2096C                                                                                               |
| Preservative                | 0.05% Sodium Azide                                                                                  |
| Isotype                     | IgG                                                                                                 |
| Conjugate                   | Biotin                                                                                              |
| Purity                      | Protein A or G purified from cell culture supernatant                                               |
| Buffer                      | PBS                                                                                                 |
| Product Description         |                                                                                                     |
| Host                        | Rabbit                                                                                              |
| Gene ID                     | 29126                                                                                               |
| Species                     | Mouse                                                                                               |
| Specificity/Sensitivity     | Detects mouse PD-L1/B7-H1 in direct ELISAs and Western blots.                                       |
| Immunogen                   | Mouse myeloma cell line NS0-derived recombinant mouse PD-L1/B7-H1 Met1-His239<br>Accession # Q9EP73 |
| Product Application Details |                                                                                                     |
| Applications                | Western Blot, Flow Cytometry, Immunohistochemistry                                                  |
| Recommended Dilutions       | Western Blot, Flow Cytometry, Immunohistochemistry                                                  |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                              |
