**Application Notes** 

CEACAM19 Antibody (1042108) [Biotin]

| CEACAINTS Antibody (1042106) [Blottin] |  |
|--|--|
| Product Information                    |  |
| Unit Size                              | 0.1 ml   |
| Concentration                          | Please see the vial label for concentration. If unlisted please contact technical services.            |
| Storage                                | Store at 4C in the dark.   |
| Clonality                              | Monoclonal   |
| Clone                                  | 1042108  |
| Preservative                           | 0.05% Sodium Azide   |
| Isotype                                | IgG1   |
| Conjugate                              | Biotin   |
| Purity                                 | Protein A or G purified from hybridoma culture supernatant   |
| Buffer                                 | PBS  |
| Product Description                    |  |
| Host                                   | Mouse  |
| Gene ID                                | 56971  |
| Species                                | Human  |
| Specificity/Sensitivity                | Detects human CEACAM-19 in direct ELISAs.  |
| Immunogen                              | Chinese hamster ovary cell line CHO-derived recombinant human CEACAM-19 Met1-Gly157 Accession # Q7Z692 |
| Product Application Details            |  |
| Applications                           | Flow Cytometry   |
| Recommended Dilutions                  | Flow Cytometry   |
|  |  |

Optimal dilution of this antibody should be experimentally determined.
