| Clonality                   | Monoclonal                                                                                                                                                                                                                                     |
| Clone                       | 2262C                                                                                                                                                                                                                                          |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                                                                             |
| Isotype                     | IgG                                                                                                                                                                                                                                            |
| Conjugate                   | FITC                                                                                                                                                                                                                                           |
| Purity                      | Protein A or G purified from cell culture supernatant                                                                                                                                                                                          |
| Buffer                      | PBS                                                                                                                                                                                                                                            |
| Product Description         |                                                                                                                                                                                                                                                |
| Host                        | Rabbit                                                                                                                                                                                                                                         |
| Specificity/Sensitivity     | Detects Brentuximab in Western blots and direct ELISAs. In direct ELISAs, no cross-reactivity with Cetuximab, Ibritumomab, Rituximab, Trastuzumab, Tositumomab, Adalimumab, Gemtuzumab, Solanezumab, Teprotumumab, and Aducanumab is observed. |
| Immunogen                   | Full length Brentuximab                                                                                                                                                                                                                        |
| Product Application Details |                                                                                                                                                                                                                                                |
| Recommended Dilutions       | Western Blot, Flow Cytometry, ELISA                                                                                                                                                                                                            |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                                                         |
