Ornithine Carbamoyltransferase Antibody (990421) [DyLight 550]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | 990421                                                                                      |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG1                                                                                        |
| Conjugate           | DyLight 550                                                                                 |
| Purity              | Protein A or G purified from cell culture supernatant                                       |
| Buffer              | 50mM Sodium Borate                                                                          |

| Product Description     |                                                                                          |
|-------------------------|------------------------------------------------------------------------------------------|
| Host                    | Mouse                                                                                    |
| Gene ID                 | 5009                                                                                     |
| Species                 | Human                                                                                    |
| Specificity/Sensitivity | Detects human Ornithine Carbamoyltransferase/OTC in direct ELISAs.                       |
| Immunogen               | Synthetic peptide containing human Ornithine Carbamoyltransferase/OTC Accession # P00480 |
| Notes                   | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.        |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | Immunohistochemistry                                                   |
| Recommended Dilutions       | Immunohistochemistry                                                   |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
