| Unit Size           | 100 ug                                                                                                           |
| Concentration       | Concentrations vary lot to lot. See vial label for concentration. If unlisted please contact technical services. |
| Storage             | Aliquot and store at -20C or -80C. Avoid freeze-thaw cycles.                                                     |
| Clonality           | Monoclonal                                                                                                       |
| Clone               | 6B10                                                                                                             |
| Preservative        | No Preservative                                                                                                  |
| Isotype             | IgG2a Kappa                                                                                                      |
| Purity              | Protein A or G purified                                                                                          |
| Buffer              | In 1x PBS, pH 7.4                                                                                                |

| Product Description |                                                                                                                                                                                                                             |
|---------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Description         | Novus Biologicals Mouse DSCAM-L1 Antibody (6B10) - Azide and BSA Free (H00057453-M01-100ug) is a monoclonal antibody validated for use in WB and ELISA. All Novus Biologicals antibodies are covered by our 100% guarantee. |
| Host                | Mouse                                                                                                                                                                                                                       |
| Gene ID             | 57453                                                                                                                                                                                                                       |
| Gene Symbol         | DSCAML1                                                                                                                                                                                                                     |
| Species             | Human                                                                                                                                                                                                                       |
| Immunogen           | DSCAML1 (NP_065744.2, 1922 a.a. ~ 2008 a.a) partial recombinant protein with GST tag. MW of the GST tag alone is 26 KDa.<br>SEPGICRFTASPPKPQDADRGKNVAVPIPHRANKSDYCNLPLYAKSEAFFRKA<br>DGREPCPVVPPREASIRNLARTYHTQARHLTLDP     |
| Notes               | This product is produced by and distributed for Abnova, a company based in Taiwan.                                                                                                                                          |

| Product Application Details |                     |
|-----------------------------|---------------------|
| Applications                | Western Blot, ELISA |
| Recommended Dilutions       | Western Blot, ELISA |

## Images

Western Blot: DSCAM-L1 Antibody (6B10) [H00057453-M01-100ug] -  
estern Blot detection against Immunogen (35.31 KDa) .

ELISA: DSCAM-L1 Antibody (6B10) [H00057453-M01-100ug] -  
Detection limit for recombinant GST tagged DSCAML1 is 0.03 ng/ml as a  
capture antibody.
