### **MAB9354UV**

Ferritin Antibody (962610) [DyLight 350]

| Territin Artibody (902010) [DyLight 330] |   |
|--|---|
| Product Information                      |   |
| Unit Size                                | 100 ul  |
| Concentration                            | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage                                  | Store at 4C in the dark.  |
| Clonality                                | Monoclonal  |
| Clone                                    | 962610  |
| Preservative                             | 0.05% Sodium Azide  |
| Isotype                                  | lgG2a   |
| Conjugate                                | DyLight 350   |
| Purity                                   | Protein A or G purified   |
| Buffer                                   | 50mM Sodium Borate  |
| Product Description                      |   |
| Host                                     | Mouse   |
| Gene ID                                  | 2495  |
| Gene Symbol                              | FTH1  |
| Species                                  | Human, Mouse, Rat   |
| Immunogen                                | The immunogen is raised against Ferritin  |
| Notes                                    |   |
|  | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.           |
| Product Application Details              |   |
| Applications                             | Western Blot, Immunocytochemistry/ Immunofluorescence, Immunocytochemistry                  |
| Recommended Dilutions                    | Western Blot, Immunocytochemistry/ Immunofluorescence, Immunocytochemistry                  |
| Application Notes                        | Optimal dilution of this antibody should be experimentally determined.                      |
