**NB100-1760PCP**

mGluR2/3 Antibody [PerCP]

| Product Information         |                                                                                             |
|-----------------------------|---------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                      |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage                     | Store at 4C in the dark.                                                                    |
| Clonality                   | Polyclonal                                                                                  |
| Preservative                | 0.05% Sodium Azide                                                                          |
| Isotype                     | IgG                                                                                         |
| Conjugate                   | PerCP                                                                                       |
| Purity                      | Immunogen affinity purified                                                                 |
| Buffer                      | PBS                                                                                         |
| Product Description         |                                                                                             |
| Host                        | Rabbit                                                                                      |
| Gene ID                     | 2912                                                                                        |
| Gene Symbol                 | GRM2                                                                                        |
| Species                     | Rat                                                                                         |
| Reactivity Notes            | Predicted react to human and Mouse.                                                         |
| Specificity/Sensitivity     | metabotropic Glutamate Receptor 2/3                                                         |
| Immunogen                   | Synthetic peptide corresponding to residues 860-875 of the rat mGluR2/3 protein.            |
| Product Application Details |                                                                                             |
| Applications                | Western Blot, Immunohistochemistry, Immunohistochemistry-Paraffin                           |
| Recommended Dilutions       | Western Blot, Immunohistochemistry, Immunohistochemistry-Paraffin                           |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                      |
