| Clonality                   | Polyclonal                                                                                                                                                                       |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                               |
| Isotype                     | IgG                                                                                                                                                                              |
| Conjugate                   | DyLight 594                                                                                                                                                                      |
| Purity                      | Immunogen affinity purified                                                                                                                                                      |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                               |
| Product Description         |                                                                                                                                                                                  |
| Host                        | Rabbit                                                                                                                                                                           |
| Gene ID                     | 6154                                                                                                                                                                             |
| Gene Symbol                 | RPL26                                                                                                                                                                            |
| Species                     | Human, Mouse                                                                                                                                                                     |
| Immunogen                   | The immunogen recognized by this antibody maps to a region between residue 1 and 50 of human Ribosomal Protein L26 using the numbering given in entry NP_000978.1 (GeneID 6154). |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                                                |
| Product Application Details |                                                                                                                                                                                  |
| Applications                | Western Blot, Immunoprecipitation, Chromatin Immunoprecipitation (ChIP)                                                                                                          |
| Recommended Dilutions       | Western Blot, Immunoprecipitation, Chromatin Immunoprecipitation (ChIP)                                                                                                          |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                           |
