HRD1 Antibody [Janelia Fluor® 669]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Polyclonal                                                                                  |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG                                                                                         |
| Conjugate           | Janelia Fluor 669                                                                           |
| Purity              | Immunogen affinity purified                                                                 |
| Buffer              | 50mM Sodium Borate                                                                          |

| Product Description |                                                                                                           |
|---------------------|-----------------------------------------------------------------------------------------------------------|
| Host                | Rabbit                                                                                                    |
| Gene ID             | 84447                                                                                                     |
| Gene Symbol         | SYVN1                                                                                                     |
| Species             | Human, Mouse, Hamster                                                                                     |
| Reactivity Notes    | Hamster reactivity reported in scientific literature (PMID: 25078082).                                    |
| Immunogen           | A synthetic peptide made to an internal portion of human HRD1 (within residues 300-400). [UniProt Q96PK3] |
| Notes               | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.                     |

| Product Application Details |                                                                                                                                                     |
|-----------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------|
| Applications                | Western Blot, Immunocytochemistry/ Immunofluorescence, Immunohistochemistry, Immunohistochemistry-Paraffin, Immunoprecipitation, Knockout Validated |
| Recommended Dilutions       | Western Blot, Immunohistochemistry, Immunocytochemistry/ Immunofluorescence, Immunoprecipitation, Immunohistochemistry-Paraffin, Knockout Validated |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                              |
