## NB100-2597JF646

**Application Notes** 

TIF1 alpha Antibody [Janelia Fluor® 646]

| TIFT alpha Antibody [Janella Fluor® 646] |  |
|--|--|
| Product Information                      |  |
| Unit Size                                | 0.1 ml   |
| Concentration                            | Please see the vial label for concentration. If unlisted please contact technical services.  |
| Storage                                  | Store at 4C in the dark.   |
| Clonality                                | Polyclonal   |
| Preservative                             | 0.05% Sodium Azide   |
| Isotype                                  | IgG  |
| Conjugate                                | Janelia Fluor 646  |
| Purity                                   | Immunogen affinity purified  |
| Buffer                                   | 50mM Sodium Borate   |
| Product Description                      |  |
| Host                                     | Rabbit   |
| Gene ID                                  | 8805   |
| Gene Symbol                              | TRIM24   |
| Species                                  | Human  |
| Immunogen                                | The immunogen recognized by this antibody maps to a region between residue 1,000 and the C-terminus (residue 1050) of human Transcriptional Intermediary Factor 1 Alpha (NP_056989.2). |
| Notes                                    | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.  |
| Product Application Details              |  |
| Applications                             | Immunocytochemistry/Immunofluorescence, Immunohistochemistry, Immunohistochemistry-Frozen, Western Blot (Negative)   |
| Recommended Dilutions                    | Immunohistochemistry, Immunocytochemistry/Immunofluorescence, Immunohistochemistry-Frozen, Western Blot (Negative)   |
|  |  |

Optimal dilution of this antibody should be experimentally determined.
