TERF2IP Antibody [PE]

| Product Information         |                                                                                                                                                          |
|-----------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                                                                   |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                                                              |
| Storage                     | Store at 4C in the dark.                                                                                                                                 |
| Clonality                   | Polyclonal                                                                                                                                               |
| Preservative                | 0.05% Sodium Azide                                                                                                                                       |
| Isotype                     | IgG                                                                                                                                                      |
| Conjugate                   | PE                                                                                                                                                       |
| Purity                      | Immunogen affinity purified                                                                                                                              |
| Buffer                      | PBS                                                                                                                                                      |
| Product Description         |                                                                                                                                                          |
| Host                        | Rabbit                                                                                                                                                   |
| Gene ID                     | 54386                                                                                                                                                    |
| Gene Symbol                 | TERF2IP                                                                                                                                                  |
| Species                     | Human                                                                                                                                                    |
| Immunogen                   | Antibody was generated using recombinant full length human RAP1 (Telomeric repeat binding factor 2 interacting protein 1) according to entry NP_061848.2 |
| Product Application Details |                                                                                                                                                          |
| Applications                | Western Blot, Immunocytochemistry/Immunofluorescence, Immunohistochemistry, Immunohistochemistry-Paraffin, Immunoprecipitation                           |
| Recommended Dilutions       | Western Blot, Immunohistochemistry, Immunocytochemistry/Immunofluorescence, Immunoprecipitation, Immunohistochemistry-Paraffin                           |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                   |
