| Clonality                   | Polyclonal                                                                                                                                                                                                                |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                                                        |
| Isotype                     | IgG                                                                                                                                                                                                                       |
| Conjugate                   | DyLight 680                                                                                                                                                                                                               |
| Purity                      | Immunogen affinity purified                                                                                                                                                                                               |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                                                                        |
| Product Description         |                                                                                                                                                                                                                           |
| Host                        | Rabbit                                                                                                                                                                                                                    |
| Gene ID                     | 51053                                                                                                                                                                                                                     |
| Gene Symbol                 | GMNN                                                                                                                                                                                                                      |
| Species                     | Human                                                                                                                                                                                                                     |
| Immunogen                   | The immunogen recognized by this antibody maps to a region between residue 160 and the C-terminus (residue 209) of human Geminin DNA replication Inhibitor using the numbering given in entry NP_056979.1 (GeneID 51053). |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                                                                                         |
| Product Application Details |                                                                                                                                                                                                                           |
| Applications                | Immunohistochemistry, Immunohistochemistry-Paraffin, Immunoprecipitation                                                                                                                                                  |
| Recommended Dilutions       | Immunohistochemistry, Immunoprecipitation, Immunohistochemistry-Paraffin                                                                                                                                                  |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                                    |
