SETD1A Antibody [DyLight 680]

| Product Information         |                                                                                                                                                                     |
|-----------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                                                                              |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                                                                         |
| Storage                     | Store at 4C in the dark.                                                                                                                                            |
| Clonality                   | Polyclonal                                                                                                                                                          |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                  |
| Isotype                     | IgG                                                                                                                                                                 |
| Conjugate                   | DyLight 680                                                                                                                                                         |
| Purity                      | Immunogen affinity purified                                                                                                                                         |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                  |
| Product Description         |                                                                                                                                                                     |
| Host                        | Rabbit                                                                                                                                                              |
| Gene ID                     | 9739                                                                                                                                                                |
| Gene Symbol                 | SETD1A                                                                                                                                                              |
| Species                     | Human                                                                                                                                                               |
| Immunogen                   | A synthetic peptide which maps to a region between residues 1200 and 1250 of human hSET1 (KIAA0339) using the numbering given in TrEMBL entry O15047 (GeneID 9739). |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                                   |
| Product Application Details |                                                                                                                                                                     |
| Applications                | Immunohistochemistry, Chromatin Immunoprecipitation (ChIP), Chromatin Immunoprecipitation Sequencing                                                                |
| Recommended Dilutions       | Immunohistochemistry, Chromatin Immunoprecipitation (ChIP), Chromatin Immunoprecipitation Sequencing                                                                |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                              |
