| Preservative                | 0.05% Sodium Azide                                                                                                                                                |
| Isotype                     | IgG                                                                                                                                                               |
| Conjugate                   | FITC                                                                                                                                                              |
| Purity                      | Peptide affinity purified                                                                                                                                         |
| Buffer                      | PBS                                                                                                                                                               |
| Product Description         |                                                                                                                                                                   |
| Host                        | Rabbit                                                                                                                                                            |
| Gene ID                     | 51651                                                                                                                                                             |
| Gene Symbol                 | PTRH2                                                                                                                                                             |
| Species                     | Human, Mouse                                                                                                                                                      |
| Immunogen                   | Antibody was raised against a 16 amino acid synthetic peptide from near the center of human PTRH2. The immunogen is located within amino acids 80 - 130 of PTRH2. |
| Product Application Details |                                                                                                                                                                   |
| Applications                | Western Blot, ELISA, Immunocytochemistry/Immunofluorescence, Immunohistochemistry, Immunohistochemistry-Paraffin                                                  |
| Recommended Dilutions       | Western Blot, ELISA, Immunohistochemistry, Immunocytochemistry/Immunofluorescence, Immunohistochemistry-Paraffin                                                  |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                            |
