MyoD Antibody (5.8A) [Alexa Fluor® 532]

Product Information	J , , , , , , , , , , , , , , , , , , ,	<u> </u>
Please see the vial label for concentration. If unlisted please contact technical services. Storage Store at 4C in the dark.	Product Information	
Storage Store at 4C in the dark. Clonality Monoclonal Clone 5.8A Preservative 0.05% Sodium Azide Isotype IgG1 Kappa Conjugate Alexa Fluor 532 Purity Protein G purified Buffer 50mM Sodium Borate Product Description Host Mouse Gene ID 4654 Gene Symbol MYOD1 Specificity/Sensitivity In Rh-30, a -45 kDa band should be observed. Immunogen The 5.8A antibody was made against recombinant mouse MyoD protein but it also recognizes human (my/3), rat, and cat homologs. The epitope of this antibody was mapped to a region within aa 180-189 of mouse MyoD Notes Alexa Fluor (R) products are provided under an intellectual property license from Life Technologies Corporation. The purchase of this product conveys to the buyer the non-transferable right to use the purchased product and components of the product only in research conducted by the buyer (whether the buyer is an academic or for-profit entity). The sale of this product is expressly conditioned on the buyer not using the product or its components, or any metals made using the product or its components, or any anticals made using the product or its components, or any anticals made using the product or its components, or any anticals made using the product or its components, or any anticals made using the product or its components, or any anticals made using the product or its components, or any anticals made using the product or its components, or any anticals made using the product or its components, or any anticals made using the product or its components, or any anticals made using the product or its components, or on precise and the full manufacturing; (ii) to provide a service, information, or data in return for payment, (iii) for therapeutic, diagnostic or prophylactic purposes; or (iv) for resale, regardless of whether they are resold for use in research. For information on purchasing a license to this product, or prophylactic purposes; or (iv) for resale, regardless of whether they are resold for use in research.
