# NB100-56536C

**Application Notes** 

TLR6 Antibody (86B1153.2) [DyLight 650]

| TLR6 Antibody (86B1153.2) [DyLight 650] |   |
|---|---|
| Product Information                     |   |
| Unit Size                               | 0.1 ml  |
| Concentration                           | Please see the vial label for concentration. If unlisted please contact technical services.   |
| Storage                                 | Store at 4C in the dark.  |
| Clonality                               | Monoclonal  |
| Clone                                   | 86B1153.2   |
| Preservative                            | 0.05% Sodium Azide  |
| Isotype                                 | IgG1  |
| Conjugate                               | DyLight 650   |
| Purity                                  | Protein G purified  |
| Buffer                                  | 50mM Sodium Borate  |
| Product Description                     |   |
| Description                             | This conjugate is made on demand. Actual recovery may vary from the stated volume of this product. The volume will be greater than or equal to the unit size stated on the datasheet. |
| Host                                    | Mouse   |
| Gene ID                                 | 10333   |
| Gene Symbol                             | TLR6  |
| Species                                 | Human   |
| Immunogen                               | This antibody was developed against a synthetic peptide corresponding to amino acids 408-424 of human TRL6.   |
| Notes                                   | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.   |
| Product Application Details             |   |
| Applications                            | Western Blot, Flow Cytometry, Flow (Cell Surface), Flow (Intracellular), Immunohistochemistry, Immunohistochemistry-Paraffin  |
| Recommended Dilutions                   | Western Blot, Flow Cytometry, Immunohistochemistry, Immunohistochemistry-Paraffin, Flow (Cell Surface), Flow (Intracellular)  |
| 41                                      | 1   |

Optimal dilution of this antibody should be experimentally determined.
