| Clonality                                  | Monoclonal                                                                                                                                                                            |
| Clone                                      | 196C429                                                                                                                                                                               |
| Preservative                               | 0.05% Sodium Azide                                                                                                                                                                    |
| Isotype                                    | IgG1 Kappa                                                                                                                                                                            |
| Conjugate                                  | DyLight 550                                                                                                                                                                           |
| Purity                                     | Protein G purified                                                                                                                                                                    |
| Buffer                                     | 50mM Sodium Borate                                                                                                                                                                    |
| Product Description                        |                                                                                                                                                                                       |
| Description                                | This conjugate is made on demand. Actual recovery may vary from the stated volume of this product. The volume will be greater than or equal to the unit size stated on the datasheet. |
| Host                                       | Mouse                                                                                                                                                                                 |
| Gene ID                                    | 27429                                                                                                                                                                                 |
| Gene Symbol                                | HTRA2                                                                                                                                                                                 |
| Species                                    | Human                                                                                                                                                                                 |
| Specificity/Sensitivity                    | This antibody does not cross-react with mouse HtrA2.                                                                                                                                  |
| Immunogen                                  | This monoclonal antibody was developed by immunizing mice with a synthetic peptide containing amino acids 335-350 of human HtrA2.                                                     |
| Notes                                      | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                                                     |
| Product Application Details                |                                                                                                                                                                                       |
| Applications                               | Western Blot, Immunohistochemistry, Immunohistochemistry-Paraffin                                                                                                                     |
| Recommended Dilutions                      | Western Blot, Immunohistochemistry, Immunohistochemistry-Paraffin                                                                                                                     |

| <b>Product Application Details</b> |                                                                        |
|------------------------------------|------------------------------------------------------------------------|
| Applications                       | Western Blot, Immunohistochemistry, Immunohistochemistry-Paraffin      |
| Recommended Dilutions              | Western Blot, Immunohistochemistry, Immunohistochemistry-Paraffin      |
| Application Notes                  | Optimal dilution of this antibody should be experimentally determined. |
