| Clonality                   | Polyclonal                                                                                                                                                                                                           |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                                                   |
| Isotype                     | IgG                                                                                                                                                                                                                  |
| Conjugate                   | Janelia Fluor 646                                                                                                                                                                                                    |
| Purity                      | Immunogen affinity purified                                                                                                                                                                                          |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                                                                   |
| Product Description         |                                                                                                                                                                                                                      |
| Host                        | Rabbit                                                                                                                                                                                                               |
| Gene ID                     | 701                                                                                                                                                                                                                  |
| Gene Symbol                 | BUB1B                                                                                                                                                                                                                |
| Species                     | Human, Mouse, Rat                                                                                                                                                                                                    |
| Immunogen                   | The immunogen recognized by this antibody maps to a region between residues 350 and 400 of human budding uninhibited by benzimidazoles 1 homolog beta using the numbering given in TrEMBL entry Q8WV50 (GeneID 701). |
| Notes                       | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.                                                                                                                                |
| Product Application Details |                                                                                                                                                                                                                      |
| Applications                | Western Blot, Immunoprecipitation                                                                                                                                                                                    |
| Recommended Dilutions       | Western Blot, Immunoprecipitation                                                                                                                                                                                    |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                               |
