| Clonality                   | Polyclonal                                                                                                                                                                                                            |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                                                    |
| Isotype                     | IgG                                                                                                                                                                                                                   |
| Conjugate                   | FITC                                                                                                                                                                                                                  |
| Purity                      | Immunogen affinity purified                                                                                                                                                                                           |
| Buffer                      | PBS                                                                                                                                                                                                                   |
| Product Description         |                                                                                                                                                                                                                       |
| Host                        | Rabbit                                                                                                                                                                                                                |
| Gene ID                     | 8295                                                                                                                                                                                                                  |
| Gene Symbol                 | TRRAP                                                                                                                                                                                                                 |
| Species                     | Human                                                                                                                                                                                                                 |
| Immunogen                   | The immunogen recognized by this antibody maps to a region between residue 3275 and 3325 of human transformation/transcription domain-associated protein using the numbering given in entry AAD04629.1 (GeneID 8295). |
| Product Application Details |                                                                                                                                                                                                                       |
| Applications                | Immunoprecipitation, Western Blot (Negative)                                                                                                                                                                          |
| Recommended Dilutions       | Immunoprecipitation, Western Blot (Negative)                                                                                                                                                                          |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                                |
