# NB100-594G

**Application Notes** 

PBEF/Visfatin/NAMPT Antibody [DyLight 488]

| PBEF/Visfatin/NAMPT Antibody [DyLight 488] |  |
|--|--|
| Product Information                        |  |
| Unit Size                                  | 100 ul   |
| Concentration                              | Please see the vial label for concentration. If unlisted please contact technical services.  |
| Storage                                    | Store at 4C in the dark.   |
| Clonality                                  | Polyclonal   |
| Preservative                               | 0.05% Sodium Azide   |
| Isotype                                    | IgG  |
| Conjugate                                  | DyLight 488  |
| Purity                                     | Immunogen affinity purified  |
| Buffer                                     | 50mM Sodium Borate   |
| Product Description                        |  |
| Description                                | This conjugate is made on demand. Actual recovery may vary from the stated volume of this product. The volume will be greater than or equal to the unit size stated on the datasheet.                      |
| Host                                       | Rabbit   |
| Gene ID                                    | 10135  |
| Gene Symbol                                | NAMPT  |
| Species                                    | Human, Mouse   |
| Immunogen                                  | The immunogen recognized by this antibody maps to a region between residues 400 and 450 of human pre-B-cell colony enhancing factor 1 using the numbering given in Swiss-Prot entry P43490 (GeneID 10135). |
| Notes                                      | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.  |
| Product Application Details                |  |
| Applications                               | Western Blot, Immunohistochemistry, Immunohistochemistry-Paraffin, Immunoprecipitation   |
| Recommended Dilutions                      | Western Blot, Immunohistochemistry, Immunoprecipitation, Immunohistochemistry-Paraffin   |
| 4  |  |

Optimal dilution of this antibody should be experimentally determined.
