| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                                                                                                                                           |
| Storage                     | Store at 4C in the dark.                                                                                                                                                                                                              |
| Clonality                   | Polyclonal                                                                                                                                                                                                                            |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                                                                    |
| Isotype                     | IgG                                                                                                                                                                                                                                   |
| Conjugate                   | mFluor Violet 450 SE                                                                                                                                                                                                                  |
| Purity                      | Immunogen affinity purified                                                                                                                                                                                                           |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                                                                                    |
| Product Description         |                                                                                                                                                                                                                                       |
| Host                        | Rabbit                                                                                                                                                                                                                                |
| Gene ID                     | 55619                                                                                                                                                                                                                                 |
| Gene Symbol                 | DOCK10                                                                                                                                                                                                                                |
| Species                     | Human, Mouse                                                                                                                                                                                                                          |
| Reactivity Notes            | Mouse reactivity reported in scientific literature (PMID: 25729399)                                                                                                                                                                   |
| Immunogen                   | The immunogen recognized by this antibody maps to a region between residue 100 and 150 of human dedicator of cytokinesis 10 using the numbering given in entry NP_055504.2 (GeneID 55619).                                            |
| Notes                       | mFluor(TM) is a trademark of AAT Bioquest, Inc. This conjugate is made on demand. Actual recovery may vary from the stated volume of this product. The volume will be greater than or equal to the unit size stated on the datasheet. |
| Product Application Details |                                                                                                                                                                                                                                       |
| Applications                | Western Blot, Immunoprecipitation, Knockout Validated                                                                                                                                                                                 |
| Recommended Dilutions       | Western Blot, Immunoprecipitation, Knockout Validated                                                                                                                                                                                 |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                                                |
