| Isotype                     | lgG1                                                                                                                                                                                  |
| Conjugate                   | DyLight 405                                                                                                                                                                           |
| Purity                      | Protein A purified                                                                                                                                                                    |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                                    |
| Product Description         |                                                                                                                                                                                       |
| Description                 | This conjugate is made on demand. Actual recovery may vary from the stated volume of this product. The volume will be greater than or equal to the unit size stated on the datasheet. |
| Host                        | Mouse                                                                                                                                                                                 |
| Species                     | Bacteria                                                                                                                                                                              |
| Specificity/Sensitivity     | NB100-64514 is reactive with Bordetella pertussis toxin in a simple ELISA.<br>Reactivities with other organisms have not yet been determined.                                         |
| Immunogen                   | Native Bordatella pertussis toxin                                                                                                                                                     |
