| Storage                     | Store at 4C in the dark.                                                                                                                                                              |
| Clonality                   | Monoclonal                                                                                                                                                                            |
| Clone                       | ALi 12-28                                                                                                                                                                             |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                    |
| Isotype                     | IgG1                                                                                                                                                                                  |
| Conjugate                   | FITC                                                                                                                                                                                  |
| Purity                      | Protein A purified                                                                                                                                                                    |
| Buffer                      | PBS                                                                                                                                                                                   |
| Product Description         |                                                                                                                                                                                       |
| Host                        | Mouse                                                                                                                                                                                 |
| Gene ID                     | 324                                                                                                                                                                                   |
| Gene Symbol                 | APC                                                                                                                                                                                   |
| Species                     | Human                                                                                                                                                                                 |
| Specificity/Sensitivity     | Ali 12-28 detects both normal and mutant-truncated forms of the APC.                                                                                                                  |
| Immunogen                   | N-terminal APC-MBP fusion protein                                                                                                                                                     |
| Notes                       | This conjugate is made on demand. Actual recovery may vary from the stated volume of this product. The volume will be greater than or equal to the unit size stated on the datasheet. |
| Product Application Details |                                                                                                                                                                                       |
| Applications                | ELISA, Immunocytochemistry/ Immunofluorescence, Immunohistochemistry, Immunohistochemistry-Paraffin, Immunoprecipitation                                                              |
| Recommended Dilutions       | ELISA, Immunohistochemistry, Immunocytochemistry/ Immunofluorescence, Immunoprecipitation, Immunohistochemistry-Paraffin                                                              |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                |
