| Storage                     | Store at 4C in the dark.                                                                                                                                                                       |
| Clonality                   | Polyclonal                                                                                                                                                                                     |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                             |
| Isotype                     | IgG                                                                                                                                                                                            |
| Conjugate                   | DyLight 488                                                                                                                                                                                    |
| Purity                      | Immunogen affinity purified                                                                                                                                                                    |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                                             |
| Product Description         |                                                                                                                                                                                                |
| Host                        | Rabbit                                                                                                                                                                                         |
| Gene ID                     | 54443                                                                                                                                                                                          |
| Gene Symbol                 | ANLN                                                                                                                                                                                           |
| Species                     | Human                                                                                                                                                                                          |
| Immunogen                   | The immunogen recognized by this antibody maps to a region between residue 1074 and 1124 of human actin binding protein Anillin using the numbering given in entry NP_061155.2 (GeneID 54443). |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                                                              |
| Product Application Details |                                                                                                                                                                                                |
| Applications                | Western Blot, Immunohistochemistry, Immunohistochemistry-Paraffin, Immunoprecipitation                                                                                                         |
| Recommended Dilutions       | Western Blot, Immunohistochemistry, Immunoprecipitation, Immunohistochemistry-Paraffin                                                                                                         |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                         |
