#### NB100-79810AF700

CtIP Antibody [Alexa Fluor® 700]

| , |   |
|---|---|
| Product Information                     |   |
| Unit Size                               | 0.1 ml  |
| Concentration                           | Please see the vial label for concentration. If unlisted please contact technical services.   |
| Storage                                 | Store at 4C in the dark.  |
| Clonality                               | Polyclonal  |
| Preservative                            | 0.05% Sodium Azide  |
| Isotype                                 | IgG   |
| Conjugate                               | Alexa Fluor 700   |
| Purity                                  | Immunogen affinity purified   |
| Buffer                                  | 50mM Sodium Borate  |
| Product Description                     |   |
| Host                                    | Rabbit  |
| Gene ID                                 | 5932  |
| Gene Symbol                             | RBBP8   |
| Species                                 | Human, Mouse  |
| Immunogen                               | The immunogen recognized by this antibody maps to a region between residue 850 and the C-terminus (residue 897) of human CtBP Interacting Protein (Retinoblastoma Binding Protein 8) using the numbering given in entry NP_002885.1 (GeneID 5932).  |
| Notes                                   | Alexa Fluor (R) products are provided under an intellectual property license from<br>Life Technologies Corporation. The purchase of this product conveys to the<br>buyer the non-transferable right to use the purchased product and components<br>of the product only in research conducted by the buyer (whether the buyer is an<br>academic or for-profit entity). The sale of this product is expressly conditioned on<br>the buyer not using the product or its components, or any materials made using<br>the product or its components, in any activity to generate revenue, which may<br>include, but is not limited to use of the product or its components: (i) in<br>manufacturing; (ii) to provide a service, information, or data in return for<br>payment; (iii) for therapeutic, diagnostic or prophylactic purposes; or (iv) for<br>resale, regardless of whether they are resold for use in research. For information<br>on purchasing a license to this product for purposes other than as described<br>above, contact Life Technologies Corporation, 5791 Van Allen Way, Carlsbad,<br>CA 92008 USA or outlicensing@lifetech.com. This conjugate is made on<br>demand. Actual recovery may vary from the stated volume of this product. The<br>volume will be greater than or equal to the unit size stated on the datasheet. |
| Product Application Details             |   |
| Applications                            | Western Blot, Immunocytochemistry/Immunofluorescence, Immunoprecipitation, Knockdown Validated  |
| Recommended Dilutions                   | Western Blot, Immunocytochemistry/Immunofluorescence, Immunoprecipitation, Knockdown Validated  |
| Application Notes                       | Optimal dilution of this antibody should be experimentally determined.  |
