TRERF1 Antibody [Alexa Fluor® 594]

Unit Size 0.1 ml Concentration Please see the vial label for concentration. If unlisted please contact technical services. Storage Store at 4C in the dark. Clonality Polyclonal Preservative 0.05% Sodium Azide Isotype IgG Conjugate Alexa Fluor 594 Purity Immunogen affinity purified Buffer SomM Sodium Borate Product Description Forduct Description Host Rabbit Gene Bymbol TRERF1 Species Human Immunogen The immunogen recognized by this antibody maps to a region between residue are guitating factor 1) using the numbering given in entry NP_277037.1 (GenelD 53809). Notes Alexa Fluor (R) products are provided under an intellectual property license from Life Technologies Corporation. The purchase of this product conveys to the buyer the non-transferable right to use the purchased product and components of the product or its components, or any materiais made using the product or its components, or any materiais made using the product or its components, or any materiais made using the product or its components, or any materiais made using the product or its components, or in enversel vide for the specified vides of whether they are resold for use in research. For information on purchasing a flineterhonenery if the tope of this product is components.	Product Information	
services. Storage Store at 4C in the dark. Clonality Polyclonal Preservative 0.05% Sodium Azide Isotype IgG Conjugate Alexa Fluor 594 Purity Immunogen affinity purified Buffer 50mM Sodium Borate Product Description Rabbit Gene ID 55809 Gene Symbol TRERF1 Species Human Immunogen 350 and 400 of human transcriptional regulating protein 132 (transcriptional regulating factor 1) using the numbering given in entry NP_277037.1 (GeneID 55809). Notes Alexa Fluor (R) products are provided under an intellectual property license from Life Technologies Corporation. The purchased product oneys to the buyer the non-transferable right to use the purchased product oneys to the buyer the non-transferable right to use the product or its components. (i) for the product or its components. (ii) for therapeutic, diagnostic or prophylactic purposes; or (iv) for resale, regardless of whether they are resold for use in measarch. For information on purchasing at decision or demand. Actual recovery may vary from the stated volume of this product. The volume will be greater than or equal to the unit size stated on the datasheet. Product Application Details Immunohistochemistry.
