mGluR1 Antibody [Alexa Fluor® 594]

Product Information	ÿ -	-
Concentration Please see the vial label for concentration. If unlisted please contact technical services. Storage Store at 4C in the dark. Clonality Polyclonal Preservative 0.05% Sodium Azide Isotype IgG Conjugate Alexa Fluor 594 Purity Immunogen affinity purified Buffer 50mM Sodium Borate Product Description Host Rabbit Gene ID 2911 Gene Symbol GRM1 Species Human, Mouse, Rat Reactivity Notes This antibody is reactive against Human, Mouse, Rat Specificity/Sensitivity mGluR1, Synthetic peptide comprising internal residues of the human GluR1 alpha protein. Reacts with rat and mouse mGluR1. Immunogen Synthetic peptide comprising internal residues of the human metabotropic GluR1 alpha protein. Reacts with rat and mouse GluR1. Notes Alexa Fluor (R) products are provided under an intellectual property license from Life Technologies Corporation. The purchase of this product conveys to the buyer the non-transferable right to use the purchased product and components of the product only in research conducted by the buyer (whether the buyer is an academic or for-profit entity). The sale of this product is expressly conditioned on the buyer not using the product or its components, or any materials made using the product or its components, or any materials made using the product or its components, or any materials made using the product or its components, or any materials made using the product or its components, or any materials made using the product or its components, or any materials made using the product or its components, or any materials made using the product or its components, or any materials made using the product or its components, or any materials made using the product or its components, or or prohylactic purposes or (iv) for resale, regardless of whether they are resold for use in research. For information on purchasing a license to this product for purposes other than as described above, contact Life Technologies Corporation, 5791 Van Allen Way, Carlsbad, CA 92008 USA or outlicensing@lifetech.com.
