## NB110-40413V

| Noggin Antibody [DyLight 405] |                                                                                             |
|-------------------------------|---------------------------------------------------------------------------------------------|
| Product Information           |                                                                                             |
| Unit Size                     | 0.1 ml                                                                                      |
| Concentration                 | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage                       | Store at 4C in the dark.                                                                    |
| Clonality                     | Polyclonal                                                                                  |
| Preservative                  | 0.05% Sodium Azide                                                                          |
| Isotype                       | IgG                                                                                         |
| Conjugate                     | DyLight 405                                                                                 |
| Purity                        | Immunogen affinity purified                                                                 |
| Buffer                        | 50mM Sodium Borate                                                                          |
| Product Description           |                                                                                             |
| Host                          | Rabbit                                                                                      |
| Gene ID                       | 9241                                                                                        |
| Gene Symbol                   | NOG                                                                                         |
| Species                       | Human, Mouse, Rat                                                                           |
| Reactivity Notes              | Reacts with Human, mouse and rat.                                                           |
| Specificity/Sensitivity       | This is specific to the NOG protein.                                                        |
| Immunogen                     | Synthetic peptide comprising residues 156-170 [PVLYAWNDLGSRFWP] of the human Noggin protein |
| Notes                         | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.           |
| Product Application Details   |                                                                                             |
| Applications                  | Western Blot                                                                                |
| Recommended Dilutions         | Western Blot                                                                                |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | Western Blot                                                           |
| Recommended Dilutions       | Western Blot                                                           |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
