| Clonality                   | Polyclonal                                                                                                                                                                                                   |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                                           |
| Isotype                     | IgG                                                                                                                                                                                                          |
| Conjugate                   | Janelia Fluor 585                                                                                                                                                                                            |
| Purity                      | Immunogen affinity purified                                                                                                                                                                                  |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                                                           |
| Product Description         |                                                                                                                                                                                                              |
| Host                        | Rabbit                                                                                                                                                                                                       |
| Gene ID                     | 332                                                                                                                                                                                                          |
| Gene Symbol                 | BIRC5                                                                                                                                                                                                        |
| Species                     | Human, Mouse, Rat                                                                                                                                                                                            |
| Reactivity Notes            | Mouse reactivity reported in scientific literature (PMID: 22814318). Rat reactivity reported in scientific literature (PMID: 17612487). Human reactivity reported in scientific literature (PMID: 24069188). |
| Immunogen                   | This Survivin [p Ser20] Antibody was developed against a synthetic peptide surrounding the phosphorylated serine 20 of the human Survivin protein. [Swiss-Prot #O15392]                                      |
| Notes                       | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.                                                                                                                        |
| Product Application Details |                                                                                                                                                                                                              |
| Applications                | Western Blot, Immunocytochemistry/ Immunofluorescence, Immunohistochemistry                                                                                                                                  |
| Recommended Dilutions       | Western Blot, Immunohistochemistry, Immunocytochemistry/ Immunofluorescence                                                                                                                                  |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                       |
