EphA4 Antibody (11C13) [DyLight 594]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | 11C13                                                                                       |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG1                                                                                        |
| Conjugate           | DyLight 594                                                                                 |
| Purity              | Protein A or G purified                                                                     |
| Buffer              | 50mM Sodium Borate                                                                          |

| Product Description     |                                                                                                                               |
|-------------------------|-------------------------------------------------------------------------------------------------------------------------------|
| Host                    | Rat                                                                                                                           |
| Gene ID                 | 2043                                                                                                                          |
| Gene Symbol             | EPHA4                                                                                                                         |
| Species                 | Mouse                                                                                                                         |
| Specificity/Sensitivity | In this format, this does not cross-react with recombinant mouse EphA2, EphA6, EphA7, EphA8 and EphB2, EphB3, EphB4 or EphB6. |
| Immunogen               | Mouse EphA4 (extracellular domain)                                                                                            |
| Notes                   | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                             |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | Western Blot, Immunohistochemistry, Immunohistochemistry-Paraffin      |
| Recommended Dilutions       | Western Blot, Immunohistochemistry, Immunohistochemistry-Paraffin      |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
