## NB110-96418R

PLGF Antibody (3B10) [Dyl ight 550]

| PLGF Antibody (3B10) [DyLight 550] |                                                                                                                              |
|------------------------------------|------------------------------------------------------------------------------------------------------------------------------|
| Product Information                |                                                                                                                              |
| Unit Size                          | 0.1 ml                                                                                                                       |
| Concentration                      | Please see the vial label for concentration. If unlisted please contact technical services.                                  |
| Storage                            | Store at 4C in the dark.                                                                                                     |
| Clonality                          | Monoclonal                                                                                                                   |
| Clone                              | 3B10                                                                                                                         |
| Preservative                       | 0.05% Sodium Azide                                                                                                           |
| Isotype                            | IgG1                                                                                                                         |
| Conjugate                          | DyLight 550                                                                                                                  |
| Purity                             | Protein G purified                                                                                                           |
| Buffer                             | 50mM Sodium Borate                                                                                                           |
| Product Description                |                                                                                                                              |
| Host                               | Mouse                                                                                                                        |
| Gene ID                            | 5228                                                                                                                         |
| Gene Symbol                        | PGF                                                                                                                          |
| Species                            | Human                                                                                                                        |
| Reactivity Notes                   | Chemical                                                                                                                     |
| Specificity/Sensitivity            | P1GF-2 (3B10)                                                                                                                |
| Immunogen                          | Recombinant human PIGF-2                                                                                                     |
| Notes                              | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                            |
| Product Application Details        |                                                                                                                              |
| Applications                       | Western Blot, Immunocytochemistry/Immunofluorescence, Immunohistochemistry, Immunohistochemistry-Frozen, Immunoprecipitation |
| Recommended Dilutions              | Western Blot, Immunohistochemistry, Immunocytochemistry/Immunofluorescence, Immunoprecipitation, Immunohistochemistry-Frozen |

| <b>Product Application Details</b> |                                                                                                                              |
|------------------------------------|------------------------------------------------------------------------------------------------------------------------------|
| Applications                       | Western Blot, Immunocytochemistry/Immunofluorescence, Immunohistochemistry, Immunohistochemistry-Frozen, Immunoprecipitation |
| Recommended Dilutions              | Western Blot, Immunohistochemistry, Immunocytochemistry/Immunofluorescence, Immunoprecipitation, Immunohistochemistry-Frozen |
| Application Notes                  | Optimal dilution of this antibody should be experimentally determined.                                                       |
