**NB110-97377APC**

Serpine B5/Maspin Antibody [Allophycocyanin]

| Product Information         |                                                                                                               |
|-----------------------------|---------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                        |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                   |
| Storage                     | Store at 4C in the dark.                                                                                      |
| Clonality                   | Polyclonal                                                                                                    |
| Preservative                | 0.05% Sodium Azide                                                                                            |
| Isotype                     | IgG                                                                                                           |
| Conjugate                   | Allophycocyanin                                                                                               |
| Purity                      | Immunogen affinity purified                                                                                   |
| Buffer                      | PBS                                                                                                           |
| Product Description         |                                                                                                               |
| Host                        | Rabbit                                                                                                        |
| Gene ID                     | 5268                                                                                                          |
| Gene Symbol                 | SERPINE5                                                                                                      |
| Species                     | Human                                                                                                         |
| Immunogen                   | Synthetic peptide made to an internal portion of human MASPIN (within residues 100-200). [Swiss-Prot# P36952] |
| Product Application Details |                                                                                                               |
| Applications                | Western Blot, ICC/IF (Negative), Knockdown Validated                                                          |
| Recommended Dilutions       | Western Blot, ICC/IF (Negative), Knockdown Validated                                                          |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                        |
