| Clonality                   | Polyclonal                                                                                                                                                                                                                     |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                                                             |
| Isotype                     | IgG                                                                                                                                                                                                                            |
| Conjugate                   | Janelia Fluor 646                                                                                                                                                                                                              |
| Purity                      | Immunogen affinity purified                                                                                                                                                                                                    |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                                                                             |
| Product Description         |                                                                                                                                                                                                                                |
| Host                        | Rabbit                                                                                                                                                                                                                         |
| Gene ID                     | 55749                                                                                                                                                                                                                          |
| Gene Symbol                 | CCAR1                                                                                                                                                                                                                          |
| Species                     | Human                                                                                                                                                                                                                          |
| Immunogen                   | A synthetic peptide, mapping to a region region between residue 1100 and the C-terminus (residue 1150) of human Cell-Cycle and Apoptosis Regulatory Protein 1 using the numbering given in TrEMBL entry Q6X935 (GeneID 55749). |
| Notes                       | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.                                                                                                                                          |
| Product Application Details |                                                                                                                                                                                                                                |
| Applications                | Western Blot, Immunoprecipitation                                                                                                                                                                                              |
| Recommended Dilutions       | Western Blot, Immunoprecipitation                                                                                                                                                                                              |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                                         |
