| Clonality                   | Monoclonal                                                                                                                                             |
| Clone                       | 32.1                                                                                                                                                   |
| Preservative                | 0.05% Sodium Azide                                                                                                                                     |
| Isotype                     | IgG1 Kappa                                                                                                                                             |
| Conjugate                   | Janelia Fluor 525                                                                                                                                      |
| Purity                      | Protein G purified                                                                                                                                     |
| Buffer                      | 50mM Sodium Borate                                                                                                                                     |
| Product Description         |                                                                                                                                                        |
| Host                        | Mouse                                                                                                                                                  |
| Gene ID                     | 332                                                                                                                                                    |
| Gene Symbol                 | BIRC5                                                                                                                                                  |
| Species                     | Human, Hamster                                                                                                                                         |
| Specificity/Sensitivity     | Survivin Antibody (32.1) [NB500-237] is specific for the nuclear form of survivin.                                                                     |
| Immunogen                   | This Survivin Antibody (32.1) was developed against full length recombinant human Survivin [UniProt# O15392]                                           |
| Notes                       | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.                                                                  |
| Product Application Details |                                                                                                                                                        |
| Applications                | Western Blot, Immunohistochemistry-Paraffin, ELISA, Flow Cytometry, Immunocytochemistry/ Immunofluorescence, Immunohistochemistry, Immunoprecipitation |
| Recommended Dilutions       | Western Blot, Flow Cytometry, ELISA, Immunohistochemistry, Immunocytochemistry/ Immunofluorescence, Immunoprecipitation, Immunohistochemistry-Paraffin |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                 |
