| Clonality                   | Monoclonal                                                                                                               |
| Clone                       | EBP-10                                                                                                                   |
| Preservative                | 0.05% Sodium Azide                                                                                                       |
| Isotype                     | IgG2b                                                                                                                    |
| Conjugate                   | PE                                                                                                                       |
| Purity                      | Protein A purified                                                                                                       |
| Buffer                      | PBS                                                                                                                      |
| Product Description         |                                                                                                                          |
| Host                        | Mouse                                                                                                                    |
| Gene ID                     | 9368                                                                                                                     |
| Gene Symbol                 | NHERF1                                                                                                                   |
| Species                     | Human                                                                                                                    |
| Specificity/Sensitivity     | The antibody EBP-10 reacts with NHERF1/EBP50 phosphoprotein of 50 kDa, which serves as an adaptor and regulator protein. |
| Immunogen                   | Bacterially produced recombinant full-length human NHERF1.                                                               |
| Product Application Details |                                                                                                                          |
| Applications                | Western Blot, Immunohistochemistry-Paraffin, Immunohistochemistry, Immunoprecipitation                                   |
| Recommended Dilutions       | Western Blot, Immunohistochemistry, Immunoprecipitation, Immunohistochemistry-Paraffin                                   |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                   |
