Influenza A H1N1 Hemagglutinin Antibody (IVC102) - BSA Free

| Product Information         |                                                                                                                            |
|-----------------------------|----------------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.5 mg                                                                                                                     |
| Concentration               | 4.2 mg/ml                                                                                                                  |
| Storage                     | Store at 4C. Do not freeze.                                                                                                |
| Clonality                   | Monoclonal                                                                                                                 |
| Clone                       | IVC102                                                                                                                     |
| Preservative                | 0.09% Sodium Azide                                                                                                         |
| Isotype                     | IgG1                                                                                                                       |
| Purity                      | Protein G purified                                                                                                         |
| Buffer                      | PBS (pH 7.4)                                                                                                               |
| Product Description         |                                                                                                                            |
| Host                        | Mouse                                                                                                                      |
| Species                     | Influenza A Virus H1N1                                                                                                     |
| Specificity/Sensitivity     | Influenza A H1N1. Reacts with hemagglutinin of H1N1 serotype.                                                              |
| Immunogen                   | Purified influenza virus type A strain H1N1.                                                                               |
| Product Application Details |                                                                                                                            |
| Applications                | ELISA, Haemagglutination, Immunocytochemistry/ Immunofluorescence, Immunohistochemistry                                    |
| Recommended Dilutions       | ELISA 1:100-1:2000, Immunohistochemistry 1:10-1:500, Immunocytochemistry/ Immunofluorescence 1:10-1:500, Haemagglutination |
