| <b>Storage</b>                     | Store at 4C in the dark.                                                                                                                                                               |
| <b>Clonality</b>                   | Polyclonal                                                                                                                                                                             |
| <b>Preservative</b>                | 0.05% Sodium Azide                                                                                                                                                                     |
| <b>Isotype</b>                     | IgG                                                                                                                                                                                    |
| <b>Conjugate</b>                   | Janelia Fluor 646                                                                                                                                                                      |
| <b>Purity</b>                      | Immunogen affinity purified                                                                                                                                                            |
| <b>Buffer</b>                      | 50mM Sodium Borate                                                                                                                                                                     |
| <b>Product Description</b>         |                                                                                                                                                                                        |
| <b>Host</b>                        | Goat                                                                                                                                                                                   |
| <b>Gene ID</b>                     | 2944                                                                                                                                                                                   |
| <b>Gene Symbol</b>                 | GSTM1                                                                                                                                                                                  |
| <b>Species</b>                     | Epitope Tag                                                                                                                                                                            |
| <b>Immunogen</b>                   | Goats were immunized with Glutathione-S-Transferase (GST) from <i>Schistosoma japonicum</i> . Antibody was isolated by affinity chromatography using GST immobilized on solid support. |
| <b>Notes</b>                       | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.                                                                                                  |
| <b>Product Application Details</b> |                                                                                                                                                                                        |
| <b>Applications</b>                | ELISA, Immunoprecipitation                                                                                                                                                             |
| <b>Recommended Dilutions</b>       | ELISA, Immunoprecipitation                                                                                                                                                             |
| <b>Application Notes</b>           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                 |
