beta-Actin Antibody [Biotin]

Product information Unit Size 0.1 ml Concentration Please see the vial label for concentration. If unlisted please contact technical services. Storage Store at 4C in the dark. Clonality Polyclonal Preservative 0.05% Sodium Azide Isotype IgG Conjugate Biolin Purity Immunogen affinity purified Buffer PBS Product Description Rabbit Host Rabbit Gene ID 60 Gene Symbol ACTB Species Human, Mouse, Rat, Amphibian Reactivity Notes Lithobates (Leopard frog)-btr/>schr/schraft. Loading Control Antibody is expected to cross-react with a wide range of species due to sequence homology. A BLAST analysis was used to suggest that this antibody would react with bela Actin from a wide range of organisms, including most vertebrates and some yeast Immunogen beta-Actin Antibody was prepared from whole rabbit serum produced by repeated mmunizations with a synthetic peptide corresponding to C-Terminal region near amino acids 350-375 of Human beta Actin. (Uniprot: P60709) Notes Alexa Fluor (R) products are provided under an intellectual property license from Life Technologies Corporation. The purchase of this product and components or avactive rabing into to use of the product and component
