## NB7446PCP

Goat anti-Human IgG Fc Secondary Antibody [PerCP]

| Goat anti-ridinaring of a Secondary Antibody [i eror ] |                                                                                                                                           |
|--------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------|
| Product Information                                    |                                                                                                                                           |
| Unit Size                                              | 1 ml                                                                                                                                      |
| Concentration                                          | Please see the vial label for concentration. If unlisted please contact technical services.                                               |
| Storage                                                | Store at 4C in the dark.                                                                                                                  |
| Clonality                                              | Polyclonal                                                                                                                                |
| Preservative                                           | 0.05% Sodium Azide                                                                                                                        |
| Isotype                                                | IgG                                                                                                                                       |
| Conjugate                                              | PerCP                                                                                                                                     |
| Purity                                                 | Immunogen affinity purified                                                                                                               |
| Buffer                                                 | PBS                                                                                                                                       |
| Product Description                                    |                                                                                                                                           |
| Host                                                   | Goat                                                                                                                                      |
| Species                                                | Human                                                                                                                                     |
| Specificity/Sensitivity                                | By immunoelectrophoresis and ELISA this reacts specifically with human IgG. This may cross react with IgG from other species.             |
| Immunogen                                              | Human IgG-Fc Fragment                                                                                                                     |
| Product Application Details                            |                                                                                                                                           |
| Applications                                           | Western Blot, ELISA, Electron Microscopy, Immunocytochemistry/<br>Immunofluorescence, Immunohistochemistry, Immunohistochemistry-Paraffin |
| Recommended Dilutions                                  | Western Blot, ELISA, Immunohistochemistry, Immunocytochemistry/<br>Immunofluorescence, Immunohistochemistry-Paraffin, Electron Microscopy |
| Application Notes                                      | Optimal dilution of this antibody should be experimentally determined.                                                                    |
|                                                        |                                                                                                                                           |
