| Clonality                   | Polyclonal                                                                                                                                                                                |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                        |
| Isotype                     | IgG                                                                                                                                                                                       |
| Conjugate                   | Biotin                                                                                                                                                                                    |
| Purity                      | Immunogen affinity purified                                                                                                                                                               |
| Buffer                      | PBS                                                                                                                                                                                       |
| Product Description         |                                                                                                                                                                                           |
| Host                        | Rabbit                                                                                                                                                                                    |
| Gene ID                     | 92822                                                                                                                                                                                     |
| Gene Symbol                 | ZNF276                                                                                                                                                                                    |
| Species                     | Human, Mouse                                                                                                                                                                              |
| Immunogen                   | The immunogen recognized by this antibody maps to a region between residue 564 and 614 of human zinc finger protein 276 using the numbering given in entry NP_001106997.1 (GeneID 92822). |
| Product Application Details |                                                                                                                                                                                           |
| Applications                | Western Blot, Immunoprecipitation (Negative)                                                                                                                                              |
| Recommended Dilutions       | Western Blot, Immunoprecipitation (Negative)                                                                                                                                              |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                    |
