**NBP1-05045H**

D-Dimer Antibody (28) [HRP]

| Product Information         |                                                                                                           |
|-----------------------------|-----------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                    |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.               |
| Storage                     | Store at 4C in the dark.                                                                                  |
| Clonality                   | Monoclonal                                                                                                |
| Clone                       | 28                                                                                                        |
| Preservative                | No Preservative                                                                                           |
| Isotype                     | IgG1 Kappa                                                                                                |
| Conjugate                   | HRP                                                                                                       |
| Purity                      | Protein A purified                                                                                        |
| Buffer                      | PBS                                                                                                       |
| Product Description         |                                                                                                           |
| Host                        | Mouse                                                                                                     |
| Species                     | Human, Canine                                                                                             |
| Specificity/Sensitivity     | Binds human D-dimer. Cross-reacts with directly coated D-monomer but not with directly coated fibrinogen. |
| Immunogen                   | Purified human D-dimer                                                                                    |
| Product Application Details |                                                                                                           |
| Applications                | Western Blot, ELISA, Immunohistochemistry-Paraffin                                                        |
| Recommended Dilutions       | Western Blot, ELISA, Immunohistochemistry-Paraffin                                                        |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                    |
