**NBP1-05115V**

PP14/Glycodelin Antibody (16) [DyLight 405]

**Product Information**

|                      |                                                                                             |
|----------------------|---------------------------------------------------------------------------------------------|
| <b>Unit Size</b>     | 0.1 ml                                                                                      |
| <b>Concentration</b> | Please see the vial label for concentration. If unlisted please contact technical services. |
| <b>Storage</b>       | Store at 4C in the dark.                                                                    |
| <b>Clonality</b>     | Monoclonal                                                                                  |
| <b>Clone</b>         | 16                                                                                          |
| <b>Preservative</b>  | 0.05% Sodium Azide                                                                          |
| <b>Isotype</b>       | IgG1 Kappa                                                                                  |
| <b>Conjugate</b>     | DyLight 405                                                                                 |
| <b>Purity</b>        | Protein A or G purified                                                                     |
| <b>Buffer</b>        | 50mM Sodium Borate                                                                          |

**Product Description**

|                         |                                                                                   |
|-------------------------|-----------------------------------------------------------------------------------|
| <b>Host</b>             | Mouse                                                                             |
| <b>Gene ID</b>          | 5047                                                                              |
| <b>Gene Symbol</b>      | PAEP                                                                              |
| <b>Species</b>          | Human                                                                             |
| <b>Reactivity Notes</b> | Human                                                                             |
| <b>Immunogen</b>        | Placental protein 14 (glycodelin A) purified from second trimester amniotic fluid |

**Product Application Details**

|                              |                                                                        |
|------------------------------|------------------------------------------------------------------------|
| <b>Applications</b>          | ELISA, Immunohistochemistry, Immunohistochemistry-Paraffin             |
| <b>Recommended Dilutions</b> | ELISA, Immunohistochemistry, Immunohistochemistry-Paraffin             |
| <b>Application Notes</b>     | Optimal dilution of this antibody should be experimentally determined. |
