OBFC2B Antibody [DyLight 405]

| Product Information         |                                                                                                                                                                                                      |
|-----------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                                                                                                               |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                                                                                                          |
| Storage                     | Store at 4C in the dark.                                                                                                                                                                             |
| Clonality                   | Polyclonal                                                                                                                                                                                           |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                                   |
| Isotype                     | IgG                                                                                                                                                                                                  |
| Conjugate                   | DyLight 405                                                                                                                                                                                          |
| Purity                      | Immunogen affinity purified                                                                                                                                                                          |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                                                   |
| Product Description         |                                                                                                                                                                                                      |
| Host                        | Rabbit                                                                                                                                                                                               |
| Gene ID                     | 79035                                                                                                                                                                                                |
| Gene Symbol                 | NABP2                                                                                                                                                                                                |
| Species                     | Human, Mouse                                                                                                                                                                                         |
| Immunogen                   | The immunogen recognized by this antibody maps to a region between residue 161 and 211 of human single-stranded DNA-binding protein 1 using the numbering given in entry NP_076973.1 (GeneID 79035). |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                                                                    |
| Product Application Details |                                                                                                                                                                                                      |
| Applications                | Simple Western, Immunohistochemistry, Immunoprecipitation                                                                                                                                            |
| Recommended Dilutions       | Simple Western, Immunohistochemistry, Immunoprecipitation                                                                                                                                            |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                               |
