| Preservative                | 0.05% Sodium Azide                                                                                                                                                                                                                                            |
| Isotype                     | IgG                                                                                                                                                                                                                                                           |
| Conjugate                   | mFluor Violet 610 SE                                                                                                                                                                                                                                          |
| Purity                      | Immunogen affinity purified                                                                                                                                                                                                                                   |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                                                                                                            |
| Product Description         |                                                                                                                                                                                                                                                               |
| Host                        | Rabbit                                                                                                                                                                                                                                                        |
| Gene ID                     | 8661                                                                                                                                                                                                                                                          |
| Gene Symbol                 | EIF3A                                                                                                                                                                                                                                                         |
| Species                     | Human, Mouse                                                                                                                                                                                                                                                  |
| Immunogen                   | The immunogen recognized by this antibody maps to a region between residue 1 and 50 of human translation initiation factor 3 subunit A (eukaryotic translation initiation factor 3, subunit 10) using the numbering given in entry NP_003741.1 (GeneID 8661). |
| Notes                       | mFluor(TM) is a trademark of AAT Bioquest, Inc. This conjugate is made on demand. Actual recovery may vary from the stated volume of this product. The volume will be greater than or equal to the unit size stated on the datasheet.                         |
| Product Application Details |                                                                                                                                                                                                                                                               |
| Applications                | Western Blot, Immunoprecipitation                                                                                                                                                                                                                             |
| Recommended Dilutions       | Western Blot, Immunoprecipitation                                                                                                                                                                                                                             |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                                                                        |
