| Clonality                   | Polyclonal                                                                                                                                                                      |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                              |
| Isotype                     | IgG                                                                                                                                                                             |
| Conjugate                   | DyLight 594                                                                                                                                                                     |
| Purity                      | Immunogen affinity purified                                                                                                                                                     |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                              |
| Product Description         |                                                                                                                                                                                 |
| Host                        | Rabbit                                                                                                                                                                          |
| Gene ID                     | 79791                                                                                                                                                                           |
| Gene Symbol                 | FBXO31                                                                                                                                                                          |
| Species                     | Human, Mouse                                                                                                                                                                    |
| Immunogen                   | The immunogen recognized by this antibody maps to a region between residue 489 and 539 of human F-box protein 31 using the numbering given in entry NP_079011.3 (GeneID 79791). |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                                               |
| Product Application Details |                                                                                                                                                                                 |
| Applications                | Western Blot, Immunocytochemistry/Immunofluorescence                                                                                                                            |
| Recommended Dilutions       | Western Blot, Immunocytochemistry/Immunofluorescence                                                                                                                            |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                          |
