| Clonality                   | Polyclonal                                                                                                                                                                                                                       |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                                                               |
| Isotype                     | IgG                                                                                                                                                                                                                              |
| Conjugate                   | Janelia Fluor 669                                                                                                                                                                                                                |
| Purity                      | Immunogen affinity purified                                                                                                                                                                                                      |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                                                                               |
| Product Description         |                                                                                                                                                                                                                                  |
| Host                        | Rabbit                                                                                                                                                                                                                           |
| Gene ID                     | 6426                                                                                                                                                                                                                             |
| Gene Symbol                 | SRSF1                                                                                                                                                                                                                            |
| Species                     | Human                                                                                                                                                                                                                            |
| Immunogen                   | The immunogen recognized by this antibody maps to a region between residue 1 and 50 of human alternative splicing factor (splicing factor, arginine/serine-rich 1) using the numbering given in entry NP_008855.1 (GeneID 6426). |
| Notes                       | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.                                                                                                                                            |
| Product Application Details |                                                                                                                                                                                                                                  |
| Applications                | Western Blot, Immunoprecipitation                                                                                                                                                                                                |
| Recommended Dilutions       | Western Blot, Immunoprecipitation                                                                                                                                                                                                |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                                           |
