| Preservative                | 0.05% Sodium Azide                                                                                                                                                                                       |
| Isotype                     | IgG                                                                                                                                                                                                      |
| Conjugate                   | DyLight 594                                                                                                                                                                                              |
| Purity                      | Immunogen affinity purified                                                                                                                                                                              |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                                                       |
| Product Description         |                                                                                                                                                                                                          |
| Host                        | Rabbit                                                                                                                                                                                                   |
| Gene ID                     | 23332                                                                                                                                                                                                    |
| Gene Symbol                 | CLASP1                                                                                                                                                                                                   |
| Species                     | Human                                                                                                                                                                                                    |
| Immunogen                   | The immunogen recognized by this antibody maps to a region between residue 1488 and 1538 of human cytoplasmic linker associated protein 1 using the numbering given in entry NP_056097.1 (GeneID 23332). |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                                                                        |
| Product Application Details |                                                                                                                                                                                                          |
| Applications                | Western Blot, Immunoprecipitation                                                                                                                                                                        |
| Recommended Dilutions       | Western Blot, Immunoprecipitation                                                                                                                                                                        |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                   |
