**NBP1-19131MFV500**

PRKCBP1 Antibody [mFluor Violet 500 SE]

**Product Information**

|                      |                                                                                             |
|----------------------|---------------------------------------------------------------------------------------------|
| <b>Unit Size</b>     | 0.1 ml                                                                                      |
| <b>Concentration</b> | Please see the vial label for concentration. If unlisted please contact technical services. |
| <b>Storage</b>       | Store at 4C in the dark.                                                                    |
| <b>Clonality</b>     | Polyclonal                                                                                  |
| <b>Preservative</b>  | 0.05% Sodium Azide                                                                          |
| <b>Isotype</b>       | IgG                                                                                         |
| <b>Conjugate</b>     | mFluor Violet 500 SE                                                                        |
| <b>Purity</b>        | Immunogen affinity purified                                                                 |
| <b>Buffer</b>        | 50mM Sodium Borate                                                                          |

**Product Description**

|                    |                                                                                                                                                                                                                                          |
|--------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Host</b>        | Rabbit                                                                                                                                                                                                                                   |
| <b>Gene ID</b>     | 23613                                                                                                                                                                                                                                    |
| <b>Gene Symbol</b> | ZMYND8                                                                                                                                                                                                                                   |
| <b>Species</b>     | Human                                                                                                                                                                                                                                    |
| <b>Immunogen</b>   | The immunogen recognized by this antibody maps to a region between residue 1136 and 1186 of human protein kinase C binding protein 1 (zinc finger, MYND-type containing 8) using the numbering given in entry CAI21842.1 (GeneID 23613). |
| <b>Notes</b>       | mFluor(TM) is a trademark of AAT Bioquest, Inc. This conjugate is made on demand. Actual recovery may vary from the stated volume of this product. The volume will be greater than or equal to the unit size stated on the datasheet.    |

**Product Application Details**

|                              |                                                                        |
|------------------------------|------------------------------------------------------------------------|
| <b>Applications</b>          | Immunoprecipitation, Western Blot (Negative)                           |
| <b>Recommended Dilutions</b> | Immunoprecipitation, Western Blot (Negative)                           |
| <b>Application Notes</b>     | Optimal dilution of this antibody should be experimentally determined. |
